### TC Dinner Club

*A supper club for good food, fun, and meeting friends*

- This program offers a series of monthly dinners at participants' homes throughout the year. Each dinner comprises a group of five couples: one pair hosts and the others each bring one of the meal courses.
- Menus are designed and tested by our Dinner Club committee, and the recipes selected are well within the reach of the home chef.
- The committee also coordinates the groups who will dine together, varying the mix of people at each dinner, so you will meet many different people, both newcomers to town and veteran Lakers.
- Dinner Club meets one Saturday evening per month, starting November 5.
- It's okay if you're not sure yet whether you can attend a dinner every month; you will have an opportunity in the weeks before each dinner to indicate your availability.
- Will you participate in DINNER CLUB this year? \_\_\_\_\_
- If yes, spouse/partner name: \_\_\_\_\_
